**Jill Davis**  
Superintendent-Director

Dear Class of 2022,

Your time has come! You have worked hard during your four years and embraced all that Greater Lowell Tech has to offer. You not only discovered your passions, but also earned your high school diploma. This achievement is even more impressive because it was accomplished during the unprecedented times of a global pandemic. Your resiliency, perseverance, and determination are to be commended.

Your high school graduation is an incredible achievement and marks the beginning of a new chapter of your life. Your years at Greater Lowell Tech have prepared you with Core Values, academic knowledge, and technical skills. You are now able to choose a path that aligns with your unique talents and abilities, one that makes you happy and allows you to fulfill your dreams and achieve your goals.

No matter which path you choose, whether it be attending college, entering the workforce, or joining the military, hold onto your value system, your work ethic, and, most importantly, your humanity. Always be the good citizen you want to see represented in your community! Respect others' differences through your words and actions and, above all else, respect yourselves. Take care of your mind, your body, and your soul! Never forget your roots, and appreciate your family, friends, and community.

Congratulations and Best Wishes! We couldn't be prouder! The world is yours— go make a positive difference!

Sincerely,

Jill Davis  
Superintendent-Director
